MEMO #94-69

17 April 1969

25X1A

MEMORANDUM FOR: [REDACTED]

SUBJECT : Clandestine Service Senior Seminar -  
25X1A [REDACTED]

Non-Official Cover

We participated in the [REDACTED] Seminar on non-official cover organized by [REDACTED]. It was pretty non-conclusive; and our input, representing a proprietary as opposed to an individual cover situation, was regarded as marginal. Nevertheless Mike's paper might be useful reading. Copy is forwarded herewith.

Career Management

We'd just as soon bow out of this one.

Recr't. of Soviets

[REDACTED] has a pretty stimulating two hour lecture on Soviet Susceptibilities. He is offered as a resource person. We are in the process of expanding and editing the lecture for broader dissemination. Some form of it should be ready in the next couple of weeks as advance or resource reading.
